Notice

Shivaji University, Kolhapur organizes students research competition 'Avishkar' every year to identify research talent in the students and also inculcate research culture among the students. The 'Institutional Avishkar Research Competition' for academic year 2023-24 is organized on 17 October 2023.

Each participating team expected to undertake a research project in the form of poster which would be followed by oral presentation. All the interested students can contact the following committee members for more information.

Sr. No.	Committee Members	Designation	Signature
1	Principal Dr. R. B. Bansode	Chairman	
2	Dr. D. G. Raut (Secretary)	Co-ordinator	
3	Mr. N. B. Birajdar	Member	
4	Dr. S. S. Gare	Member	
5	Mr. N. B. Gangdhar	Member	
6	Mr. P. S. Patil	Member	
7	Dr. (Mrs.) S. Y. Salunkhe	Member	
8	Dr. A. K. Raskar	Member	

Levels of participation

Levels 1: Undergraduate Students (UG)

Levels 2: Postgraduate Students (PG)

Levels 3: Post PG Students (PPG)

There will be following six disciplines for this competition.

Categories

Categories 1: Humanities, Languages and Fine Arts

Categories 2: Commerce, Management and Law

Categories 3: Pure Sciences

Categories 4: Agriculture and Animal Husbandary

Categories 5: Engineering and Technology

Categories 6: Medicine and Pharmacy

Appreciation Letter

To,

Prof. Dr. S. R. Mane

Department of Chemistry

Smt. KRP Kanya Mahavidyalaya Islampur

Respected Sir,

We would like to thank you for accepting our invitation as a resource person to deliver guest lecture on the topic Electrophilic Addition Reaction in Chemistry B.Sc. III students. Organized by Department of Chemistry 11 Jan. 2024 at 11.00 am to 12.30 pm. You have delivered very nice talk on the above topic. This lecture was very interesting and enlightening for our students.

Thank you,

Principal,
Vishwasrao Naik Arts, Com. &
Baba Naik Science Mahavidyalaya
Shirala, Dist. Sangli.

Presenty

A Guest lecture delivered by Dr. S. R. Mane on Topic Electrophilic Addition Reaction

Report of Guest Lecture on “Electrophilic Addition Reaction in Chemistry”

Name of Activity	: Report of Guest Lecture on “Electrophilic Addition Reaction in Chemistry”
Date and time of activity conducted	: Thursday, 11/01/2024
Target Group	: B. Sc.-III
Number of students took the advantage	: 39
Name of Organizer	: Department of Chemistry
Name of the Chief Guest	: Prin. Dr. Rajendra B. Bansode
Platform	: Offline

Short description of the activity conducted

Department of Chemistry, Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyalaya, Shirala organized a **Guest Lecture on “Electrophilic Addition Reaction in Chemistry” for B. Sc.-III** Students Under the faculty exchange program on Thursday, 11/01/2024 at 11.00 am. In this programme Prof. D. P. Hiwarale Welcomes all the dignitaries and introduced the resource person by Dr. Sandip M. Deshmukh Head, Department of Chemistry, Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyalaya, Shirala.

Resource person **Prof. Dr. S. R. Mane** has delivered lectures on types of electrophilic addition reactions with their mechanism in Chemistry to B.Sc.-III Students. Dr. Sandip M. Deshmukh, Head, of the Department of Chemistry addressed the presidential speech. Prof. D. P. Hiwarale expressed a vote of thanks. Detail of Guest Lecture on “Electrophilic Addition Reaction in Chemistry” and “as shown in below pictures.

**Programme Report on
“BANKING SECTOR – CAREER OPPORTUNITIES”**

Name of the Programme	:	Talk on “Banking Sector – Career Opportunities”
Date of the Programme	:	20 th February 2024 (Tuesday)
Time	:	09.30Am.
Venue	:	B.com Seminar Hall
Resource Person	:	Mr. Pravin Kapase Requirment Manager Institute of Banking and Finance Pune.
Jointly Organized By	:	Department of Commerce & Department of Economics
Welcoming the Guests By	:	Mr.N.B.Gangdhar Assit Professor Commerce
Welcoming Address By	:	Dr. G.R.Bhuktar (HOD) Economics

Address by Resource Person: Mr.Pravin Kapase

The banking industry provides a wealth of opportunities for experienced professionals, college graduates and entry-level workers. Many banking sector jobs are based around generating revenue and people working in these roles are usually referred to as sales employees. Other workers in the sector are primarily concerned with saving money and mitigating risk. Bank positions are highly coveted because these jobs offer a wide array of career opportunities and work experiences. Many working in the banking industry directly or indirectly interact with customers and their money on a regular basis. However, some positions are back office roles that don't require client interaction.

Most consumer banks require a standard group of employees that includes tellers, customer service representatives, bookkeepers, accounting clerks, loan officers and managers. Employees work as part of a team to provide customer service in their assigned roles. The size of a bank affects specific duties. For example, larger banks may employ senior tellers who perform teller duties while supervising the junior tellers.

Branch Manager

Bank branch managers are responsible for overseeing the operations of a commercial bank, such as sales, lending, policies and procedures, safety and customer service. While making sure operations

run smoothly, branch managers also supervise bank staff. Branch managers must establish the goals of the bank, motivate employees and provide training. Consequently, branch managers need business development and people skills to run their banks successfully. Although branch managers commonly delegate operational tasks, they are ultimately responsible for the success or failure of the bank achieving its organizational goals.

Commercial Banker

Commercial bankers focus on providing financial services to small and large businesses. Several areas of focus are available to commercial bankers, including commercial lending, small business development and commercial loan workout. Commercial loan officers develop relationships with businesses to offer business loans to companies needing funding for operational growth. Small business bankers work specifically with local small businesses to offer services such as direct deposit for employees, establishing business checking accounts and originating small business loans. Bankers working in the commercial workout department are responsible for the sale of bank-owned real estate properties and other bank-owned assets.

Mortgage Banker

Mortgage bankers, often called mortgage loan officers, work with applicants to help them secure mortgages through the bank. Specific duties can include obtaining personal information from applicants, assisting customers with completing the application and working with other mortgage professionals to get applications through the underwriting process. According to Laura Lorber of FINS.com, an online career resource for the financial industry, many mortgage bankers are paid on commission, so the ability to sell is vital. Mortgage bankers must register with the Nationwide Licensing System through employer sponsorship with their bank to work as a licensed loan officer.

Investment Banker

Instead of working in a commercial banking branch, investment bankers typically work in the corporate offices of banks and other financial institutions. Their job duties vary considerably, depending on the specialty. An investment banker can take on the role of an asset manager, making investment buy and sell recommendations to clients. Some investment bankers work with companies through the process of an initial public offering, or IPO. Other duties may include constructing financial models to advise clients through mergers and acquisitions, monitoring the financial markets, and analyzing specific types of securities and commodities.

Tellers

When an individual walks into a bank, odds are the first person to greet the visitor will be a teller. Tellers provide direct service to customers by accepting deposits, cashing checks and exchanging

currency. This bank employee's typical duties also include receiving check orders from customers and providing travelers' checks. Tellers need excellent math skills to ensure accuracy in handling money. They are required to tally their cash drawers at the beginning and end of the workday.

Customer Service Representatives

Customer service representatives assist customers in opening new bank accounts, modifying existing accounts, and completing paperwork for products such as Certificates of Deposit. Additional duties include answering questions about the bank's products and services and responding to customers' questions. Customer service representatives may also be responsible for answering phone calls, assisting callers or connecting them with the proper department.

Bookkeepers and Clerks

Accounting, auditing and bookkeeping clerks maintain financial records for the bank by posting financial transactions using computer software. These clerks check records for accuracy, reconcile entries and balances and create reports from the data. For example, an accounting clerk may regularly produce balance sheets for management from the bank's financial data. In smaller banks, a bookkeeper may be responsible for all the financial institution's records. Larger banks may split the duties between accounting and auditing clerks.

Loan Officers

Bank loan officers meet with applicants and help them complete loan applications. Loan officers answer questions about the different loan types the bank offers and explain contract provisions. Once the application is completed, loan officers verify the information and evaluate the applicant's potential to satisfy the loan terms. In some financial institutions, loan officers make the final decision on loan approval or denial. In others, loan officers make only a recommendation and a higher-level executive makes the final decision.

Financial Managers

In the banking business, financial managers examine financial reports and prepare statements for upper management and owners. Financial managers often work in supervisory roles, managing other employees such as bookkeeping and accounting clerks. In addition, financial managers work closely with upper management, advising on ways to reduce costs and increase profits.

This Programme was organized by Department of Commerce and Economics, the programme was co-ordinated by Dr.G.R.Bhuktar (HOD) Department of Economics Mr.Pravin Kapase, Requirement Manager, was present as a Key Speaker from Institute of Banking and Finance Pune, delivered his speech on “Banking Sector – Career Opportunities”, this programme was organized at Vishwasrao Naik Arts, Commerce Baba Naik Science Mahavidyalaya, Shirala at seminar hall and was attended by Mr.B.R.Dashwant (HOD) Department of Commerce, members, and students of UG Students.

LETTER OF GRATITUDE

To,
Mr. Dayal Dineshkumar,
Assistant professor, Department of Physics,
Sant Tukaram College Parbhani, &
Director of Spectrum Academy,
Tal. Dist. Parbhani – 431401

Respected Sir,

We express our sense of gratitude for guiding on “**Black-hole & Time Travel**”. We also appreciate your important message to the students. We really enjoyed & learnt a lot from this lecture. Thank you for sharing your views in this area. It was really important & helpful to our students.

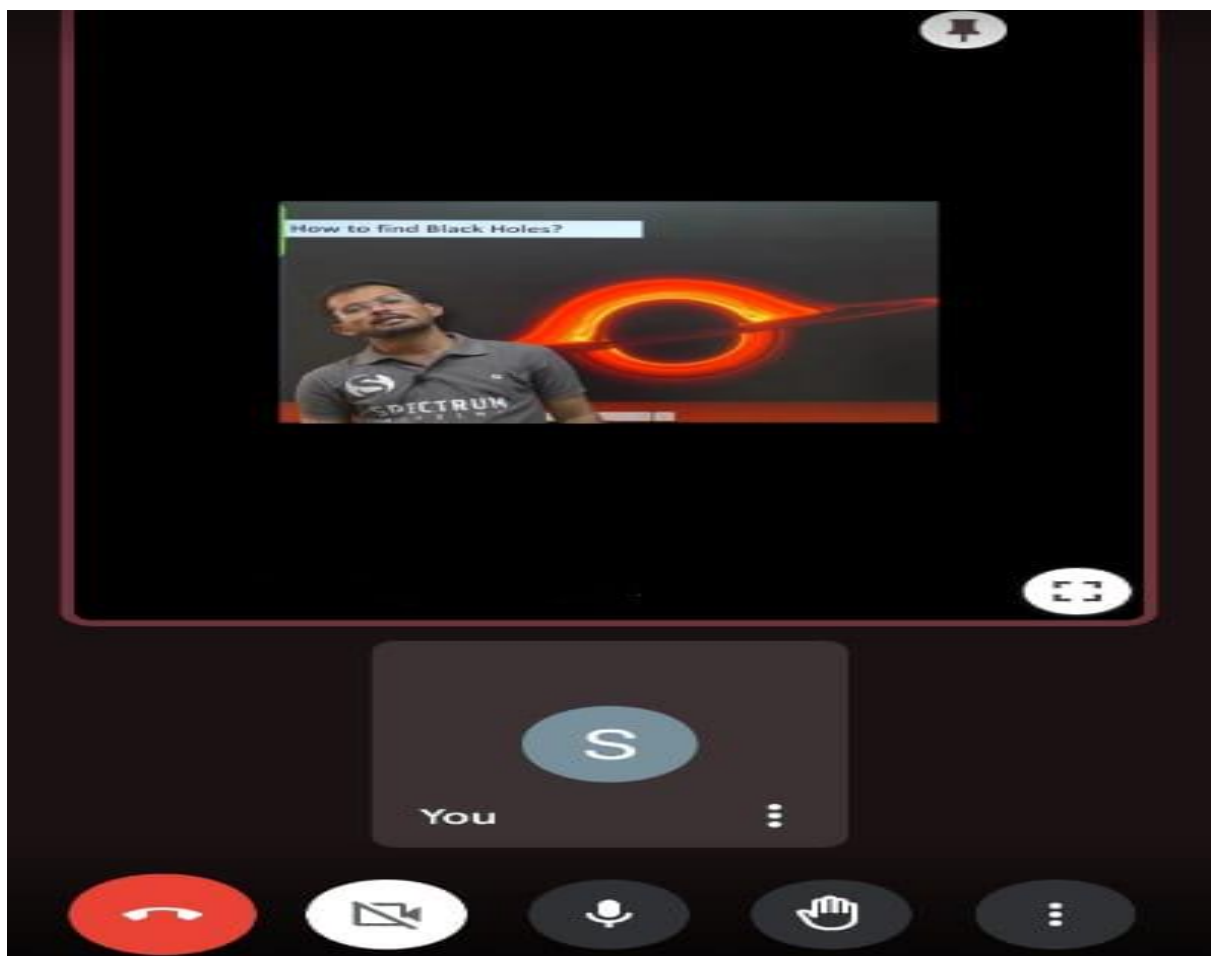

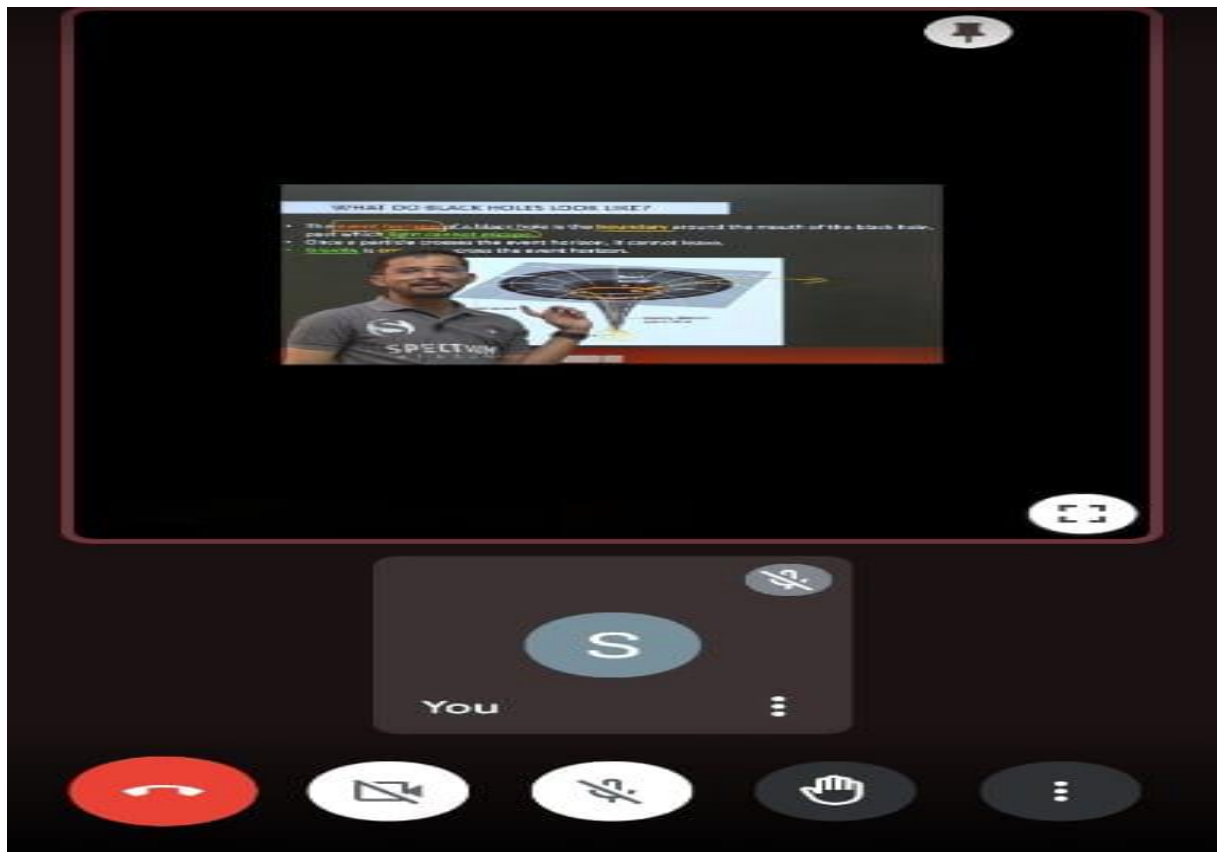

Thanking You,

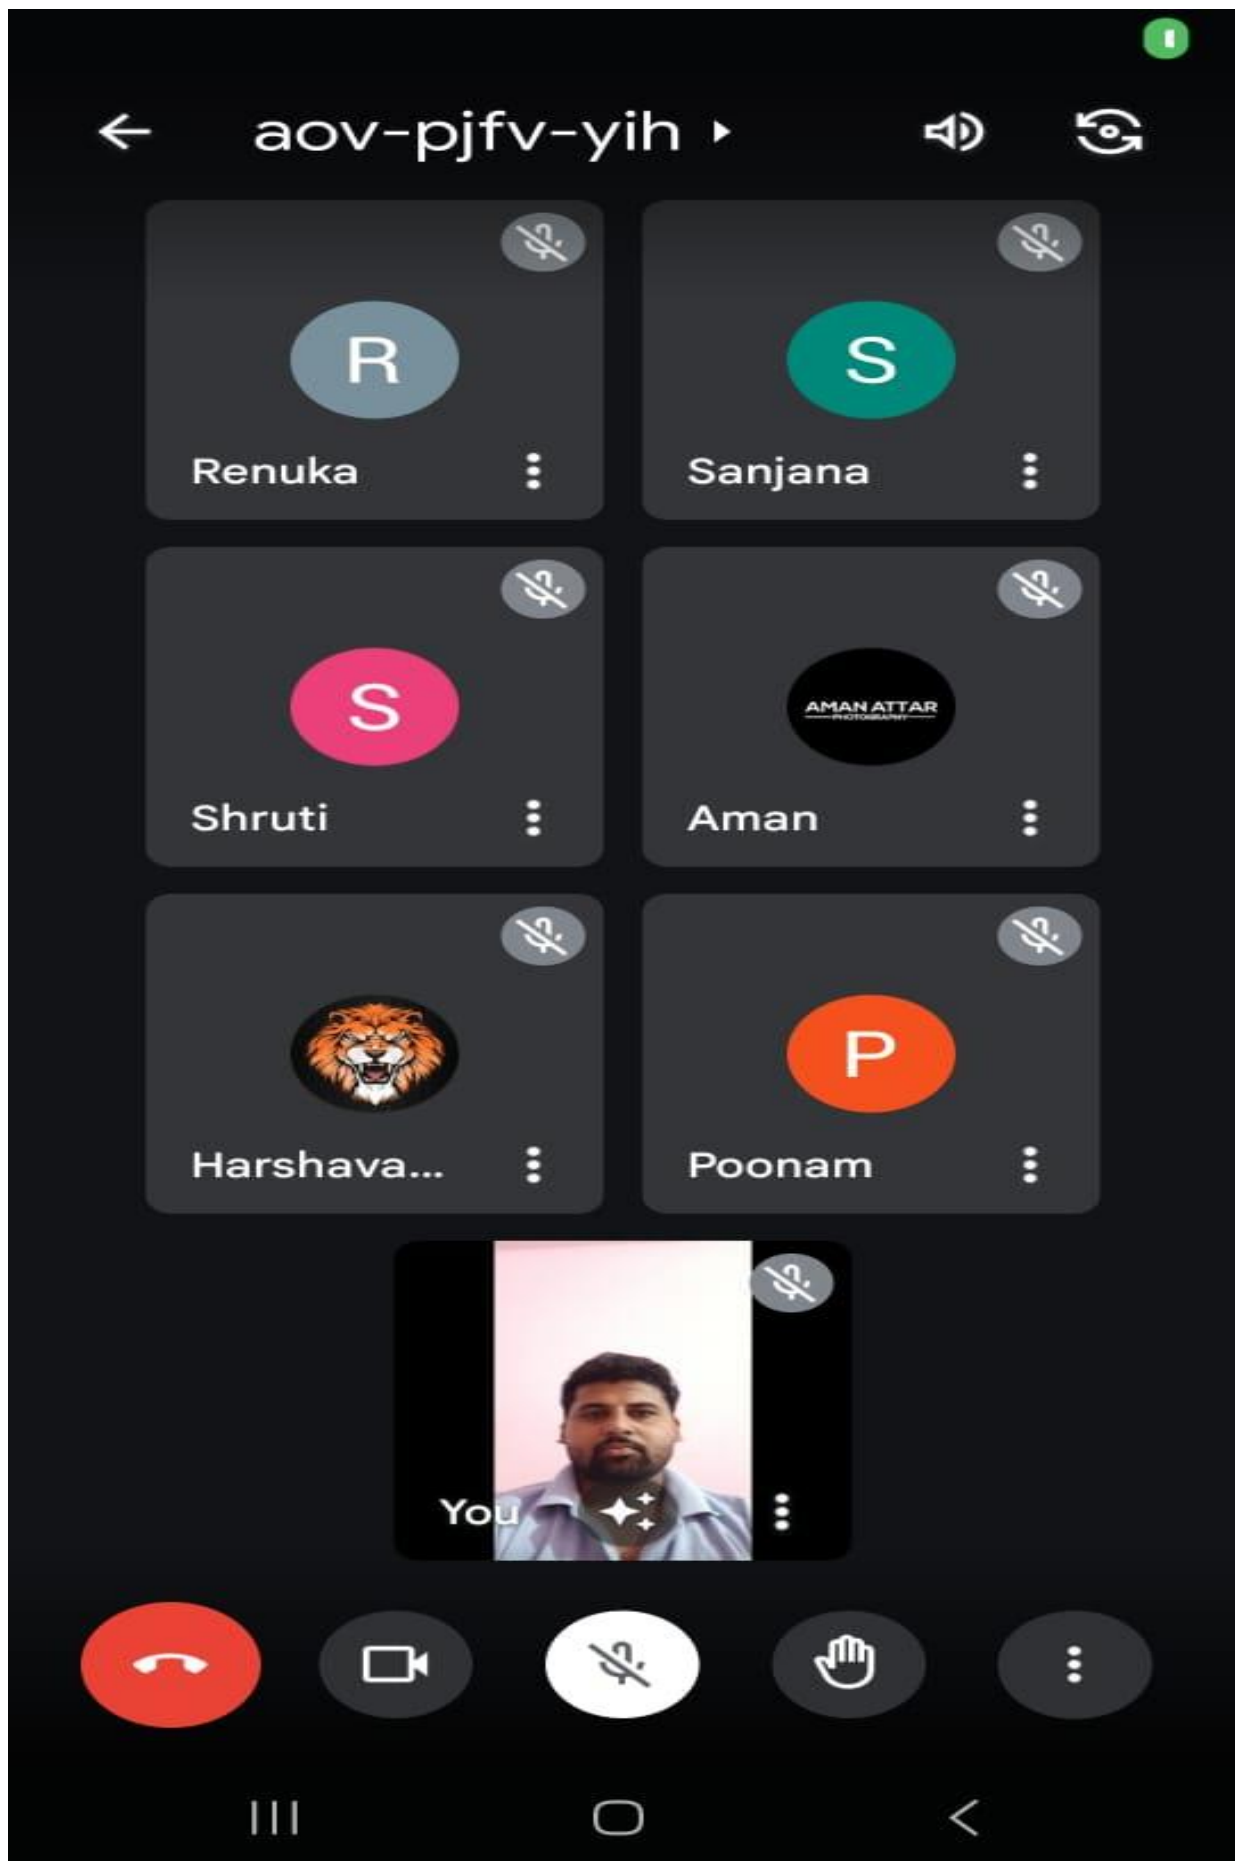

Yours Faithfully,

STUDENTS SEMINAR NOTICE

This is informed to all **B.Sc.-III (Sem. VI)** students that the Department of Chemistry has organized student's seminar in between **20/02/2024-23/02/2024** at 8.30 a.m. at Seminar Hall. All the students are requested to deliver their seminars on scheduled date.

Topics for Seminar (Any one)

1. Nuclear chemistry
2. Name reactions
3. Thermodynamics
4. Sugar industry

PERMISSION LETTER

To,
The Principal,
Vishwasrao Naik Arts, Commerce & Baba Naik Science Mahavidyalaya,
Shirala, Dist. Sangli.

Subject: ABOUT PERMISSION TO CONDUCT A SEMINAR.

Respected Sir,

With respect to the subject mentioned above, our department of PHYSICS and SCIENCE ASSOCIATION COMMITTEE has organized a state level Seminar for our students as well as a staff prior on 12/09/2023 at 10:00 am. The theme of the seminar is **“ASTRONOMY AND MISBELIEFS IN ASTROLOGY”**.

So , I request you to give permission to conduct this seminar and I also request your gracious presence for inauguration of the same.

Thanking you.

Yours faithfully,

Department of Physics and Science Association Commitee.

Principal,
Vishwasrao Naik Arts, Com. &
Baba Naik Science Mahavidyalaya
Shirala, Dist. Sangli,

SEMINAR REPORT

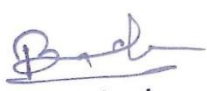

One day State level seminar on “**ASTRONOMY AND MISBELIEFS IN ASTROLOGY**” was organised in Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyalaya, Shirala on 12 September 2023, at 11:00 am. The seminar was organised by Department of Physics, Science Association, IQAC and Lead college on the occasion of Inauguration of Science Association. The resource person of seminar was Prof. Dr. Nitin Shinde, Vice-Principal, Karmveer Bhaurao Patil College, Urun-Islampur.

Dr. Nitin Shinde introduced about solar system and other stars and planets in the universe. He also told it is highly unfortunate that in the land where Vedic astrology was born, most people, even a lot of astrologers, have a lot of misconceptions and blind beliefs about several basic facts of astrology. An astrologer propagates a wrong theory and many people in general, believe in it. They tell a dozen more and soon it becomes an accepted norm! Misconceptions about Mangal dosha, Rakshasa Gana, Kalasarpa dosha and Sadesati have a lot of far reaching effects in our society full of superstitions, especially in marriage matters. One of the biggest misconceptions and fears in the Hindu society with respect to marriage is the presence of Mangala Dosha or Kuja Dosha in the chart of a boy or a girl. I have seen a countless number of good matches being rejected by people just because the boy or the girl has Mangala Dosha present in the chart.

President of the seminar was Principal Dr. Rajendra Bansode. In his presidential speech, he asserted that it is necessary to be alert about astronomy and misbeliefs in astrology. Introductory speech was given by Dr. (Mrs.) T. P. Yadav, introduction of resource person was given by Mr. J. M. Rathod, Anchoring was done by Dr. (Mrs.) S. Y. Salunkhe, Gracious presence of lead college coordinator Dr. G. R. Bhuktar.

विश्वासराव नाईक महाविद्यालयात खगोलशास्त्र विषयावरील चर्चासत्र संपन्न

जनप्रवास । प्रतिनिधी

शिराळा : विश्वासराव नाईक कला, वाणिज्य आणि बाबा नाईक विज्ञान महाविद्यालय शिराळा येथे ज्योतिषशास्त्रातील खगोलशास्त्र आणि गैरसमज या विषयावर एकदिवसीय राज्यस्तरीय चर्चासत्र संपन्न झाले.

पदार्थविज्ञान विभाग, विज्ञान असोसिएशन, अंतर्गत गुणवत्ता हमी कक्ष आणि लीड कॉलेज अंतर्गत सदर उपक्रम सायन्स असोसिएशनच्या उद्घाटनानिमित्त आयोजित करण्यात आला होता. सदर चर्चासत्रात प्रमुख वक्ते डॉ. नितीन शिंदे, उपप्राचार्य के. बी. पी. महाविद्यालय, उरुण-इस्लामपूर यांनी मार्गदर्शन केले. ते म्हणाले, सूर्यमाला आणि विश्वातील इतर

तारे व ग्रहांची ओळख करून दिली. वैदिक ज्योतिषशास्त्राचा जन्म भारतात झाला. मात्र आज ज्योतिषशास्त्राचा जन्म ज्या भूमीत झाला, त्या भूमीत ज्योतिषशास्त्रातील अनेक मूलभूत तथ्यांबद्दल बरेचसे लोक, ज्योतिषी वेगवेगळे गैरसमज आणि अंधश्रद्धा बाळगून आहेत, हे अत्यंत दुर्दैवी आहे. अनेक ज्योतिषी चुकीच्या सिद्धांताचा प्रचार करत आहेत आणि सर्वसाधारणपणे लोक त्यावर विश्वास ठेवतात, हे सामाजिकदृष्ट्या घातक आहे. मंगळ दोष, राक्षस गण, कालसर्प दोष आणि साडेसाती याविषयीच्या गैरसमजांचा अंधश्रद्धांनी भरलेल्या समाजात, विशेषतः विवाहाच्या

बाबतीत बरेच दूरगामी परिणाम होतात. चर्चासत्राचे अध्यक्ष प्राचार्य डॉ. राजेंद्र बनसोडे यांनी खगोलशास्त्र व ज्योतिषशास्त्रातील गैरसमज याबाबत सजग राहणे आवश्यक असल्याचे सांगितले.

संस्थेचे अध्यक्ष, अॅड. भगतसिंग नाईक, विश्वप्रतापसिंग नाईक, पृथ्वीसिंग नाईक यांचे मार्गदर्शन लाभले. याप्रसंगी उपप्राचार्य प्रा. राजसिंग पाटील व भीमराव दशवंत, डॉ. जी. आर. भुकरत उपस्थित होते. प्रास्ताविक डॉ. (सौ.) टी. पी. यादव यांनी केले, पाहुण्यांची ओळख जे. एम. राठोड यांनी करून दिली. सूत्रसंचालन डॉ. (सौ.) एस. वाय. सालुंखे यांनी केले. आभार प्रा. प्रसाद स्वामी यांनी मानले.

Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyala Shirala

Report on Workshop

“Life Insurance”

Arranged By Department of Commerce and Economics

A Workshop on ‘Life Insurance Policies- LIC of India’ was organised by the Department of Commerce and Economic in Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyala Shirala at Commerce seminar Hall on February 13, 2024. Mr.Bhanudas Patil experts from LIC comprising acted as resource persons. Mr.B.R.Dashwant (HOD) Department of Commerce explained the concept of Insurance and its relevance as long term investment. He elaborated the various types of insurance policies along with its practical implications. Dr.G.R.Bhuktar highlighted the career prospects LIC and also apprised the students regarding intricacies involved in insurance business. Experts also handled the queries of students regarding job prospects and insurance plans. The students found this Workshop highly enriching and informative.

Mr.N.B.Gangdhar Assit Professor Department of Commerce highlighted the workshop was aimed to update the knowledge on the recent advancement among the health Insurance. Insurance is based on the concept of risk pooling or risk sharing of losses. Basically under this concept, all individuals suffering a similar risk, place an agreed sum into a pool and the monies collected are used to indemnify any contributing individual against any loss arising out of the risk. Vote of thanks was given by the F.Y B.Com student Miss.Amruta Shingate.

“NOT JUST CAMELS, BUT ELIXIR’S OF MANKIND”
CELEBRATION OF ‘INTERNATIONAL YEAR OF CAMELIDS (IYC
2024)’ AT VN & BNM, SHIRALA

Shirala, 20th Feb 2024: Aiming to build awareness for increasing investments in untapped potential and capacity development of ‘Camelids Family’, The United Nations declared 2024 as the ‘International Year of Camelids’ giving impetus on greater research approaches and use of innovative practices and technologies in this sector. Walking on their footsteps, the Department of Zoology, Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyalaya, Shirala realized the need to inculcate importance of camelids in its students. As most of students here belong to rural hilly and forest regions, inducing sturdy animal like camels in their day to day lives as a means of livelihood and its commercialization would defiantly put greater impetus on their sustainable development.

Planet Earth Foundation, Shirala and IQAC of the college being collaborators in this event, helped in making this program chaired by Hon. Vice-Principal of the college Mr. Rajsingh Patil, a grand success. The program started with introduction by Mr. Nagesh Birajdar, Assistant Professor, Department of Zoology. He presented basics regarding IYC 2024 and an overview on the camelids family. Following him, Mr. Akash Patil, Founder and President, Planet Earth Foundation, Shirala, conducted a plenary session on importance of camelids family, their current status, conservation needs, potential ability and future prospectus with respect to Shirala region.

Finally Dr. Mrs. Manisha Gejage, Assistant Professor, Department OF Zoology, concluded the session by highlighting the thoughts presented by the speaker in the plenary session and proposed a vote of thanks acknowledging the entire college administration, program execution team, resource persons and the students. After the conclusion of the plenary session, Mr. Rajsingh Patil, Vice-Principal, VNBNM, Shirala, inaugurated the poster presentation on IYC 2024 organized by the students at Department of Zoology and felicitated students with best posters. Finally he expressed his presidential address to the group of students and motivated them to undertake camel commercialization as an innovative practice in our region.

**“WHAT’S AFTER A SNAKE BITE?” LEARNED BY STUDENTS
PRIOR TO NAGPANCHIMI AT A WORKSHOP ORGANIZED BY
VN & BNM, SHIRALA**

Shirala, 18th Aug 2023: On the verge of Nagpanchimi, the Department of Zoology, Vishwasrao Naik Arts, Commerce and Baba Naik Mahavidyalaya, Shirala realized the need of demonstrating the students with basics of knowledge about the snakes. Thus, a University level workshop was organized by them in collaboration with college’s IQAC team, Lead College Committee and Planet Earth Foundation, Shirala. The workshop entitled “Identification of Venomous and Non-Venomous Snakes with Preventive and Curative Measures related to Snake Bites” was an eye-opening and misunderstandings busting event for all while considering the myths and practices prevailing in society regarding snakes.

Mr. Akash Patil, Founder and President of Planet Earth, Foundation, Shirala was invited as a resource person for the workshop. The workshop was inaugurated at the hands of president of the function Hon. Prin. Dr. R. B. Bansode. Post inauguration, Mr. N. B. Birajdar gave the introductory speech. Dr. (Mrs.) S. H. Kurane introduced the resource person to the gathering after which the resource person conducted his sessions including information about various species of snakes, snake bites, types of snake venoms and its preventive and curative measures. Students were delighted by the satisfaction of their curiosity about this largely misunderstood organism and actual participation in the first aid activity. After the session, the president of the event gave his presidential address praising the work of Planet Earth Foundation and the vision of Department of Zoology in tapping the educational need of the moment.

The program concluded with a vote of thanks delivered by Dr. (Mrs.) M. R. Gejage. Dr. (Mrs.) K. R. Pawar anchored the entire workshop. Along with students, all departmental faculties, administrative as well as non-teaching staff attended and participated in the workshop successfully.

Study Tour – “ Prachiti Dhoodh Sangh, Shirala”

Date - 22nd Dec. 2023.

One day study tour was arranged by Department of Commerce to study trading and marketing skills at , Prachiti Dhoodh Sangh, Shirala on 22nd Dec. 2023. Students visited ‘Prachiti Dhoodh Sangh, Shirala to observe the process of making Pasteurised full cream milk, Pasteurised homogenised toned milk Ghee, Kesar basundi, Malai Paneer from Milk. They also studied Human Resource Management, Marketing Management and collected information regarding the production procedure. Plants at Prachiti Dhoodh Sangh also visited by students to know the farming, processing and categorization of milk & product.

During the time, students observed trading activities at place. To study the marketing and selling strategies they visited to market shops and collected information regarding marketing strategies of the said product. It was very enjoyable and beneficial tour for the students. This is an encouragement to students to develop their entrepreneurial skill. Total 30 students from B.Com stream were participated in this tour. The active participation by the students shows their keen interest in learning the things beyond the syllabus, books and practical knowledge.

Vishwasrao Arts, Commerce and Baba Naik Science Mahavidyalaya

Shirala.

Subject: About permission for the study tour.

Respected Sir,

Department of Commerce arranging study tour for B. Com III students. In this tour we are going to visit Rajarambapu Institute of Technology - Islampur On 9th January 2024. There is near to about 30 students and 02 faculty members. Kindly give us permission for arranging this study tour.

Thanking You.

Yours Faithfully,

HOD (Department of Commerce)

Principal,
Vishwasrao Naik Arts, Com. &

Department of Commerce
Report on Rajarambapu Institute of Technology - Islampur Visit

Academic Year – 2023-24
Visit organised on 09th January, 2024

A College visit was arranged by the Department of Commerce on **09th January, 2024** to Rajarambapu Institute of Technology - Islampur. The purpose of the visit is to attend educational fair organised by Rajarambapu Institute of Technology – Islampur. Mr. S.Patil one of the Human Resource Trainer interacted with the students regarding interview skill in the entertaining way. This lecture was truly enjoyed by all the students. He also interacted with the students and tried to solve the doubts. Mr. B.R.Dashwant, HOD, Department of Commerce, also guided the audience. He explained the purpose of visit and appealed the students to take the advantage of the opportunity. Students experienced various presentations by registered students from various colleges. In this event students came to know programming skill, paper presentation, poster presentation. After this wonderful lecture students visited to Institute Library and administrative building.

Students also visited to the campus area to know administration and management process of the Institute. Students enjoyed their hospitality. Students came to know various Career opportunities and interview strategies. Really it was a good experience and encouragement to the students.

DEPARTMENT OF CHEMISTRY

INDUSTRIAL VISIT REPORT

An Industrial visit has been organized by the Department of Chemistry, Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyalaya, Shirala, for B.Sc. III Students on 13th January, 2024 for the academic year 2023-24 to The Rudraneel Industries Ecogreen Agrosiences PVT. LTD., Satara. Rudraneel Industries provides the best range of agricultural fertilizers, poultry equipment, agricultural equipment, pitch roller, organic fertilizer & meat bone meal with effective & timely delivery. It is a daylong visit, 30 students participated and five faculty members coordinated the visit. The objective of the industrial visit is to enhance the practical stimulation and help students gain first – hand information regarding functioning of the industry, which presents the students with opportunities to plan, organize & engage in active learning experience both inside and outside the classroom.

Objectives of this Tour:

1. To visit an industry and gather practical knowledge about industrial operational units. How the units are functioning.
2. To acquire managements skill to job in industrial operational sector that can be implemented in job in industrial sector in future.
3. To compare the theoretical knowledge to with practical application industrial sector.

The Principal Units of (CSIR) we visited:

1] Fertilizer Manufacture (synthesis, blending, and formulation):

2] Quality control Laboratory:

a] HPLC [High Performance Liquid Chromatography]:

High-Performance Liquid Chromatography (HPLC) is an analytical technique used for separating, identifying, and quantifying components in a mixture. The HPLC instrument consists of a high-pressure pump, injector, column, detector, and data analysis system. In the context of a fertilizer industry visit, HPLC can be instrumental in quality control processes.

HPLC in a fertilizer industry helps analyze and monitor the composition of fertilizers, ensuring accurate concentrations of essential nutrients. It enables the identification and quantification of various compounds, such as nutrients, impurities, or contaminants, contributing to the overall quality assurance of fertilizer products. The precision and sensitivity of HPLC make it a valuable tool for ensuring that fertilizers meet regulatory standards and specifications, promoting efficiency and effectiveness in agricultural practices.

b] Kjeldahls Distillation Unit:

The Kjeldahl Distillation Unit is a laboratory apparatus used in the analysis of nitrogen content in organic compounds, particularly in the context of the fertilizer industry. During a visit to a fertilizer industry, this instrument plays a crucial role in determining the total nitrogen content in raw materials and finished fertilizer products.

The Kjeldahl method involves digesting a sample with sulfuric acid to convert organic nitrogen into ammonium sulfate. The Kjeldahl Distillation Unit then facilitates the distillation of ammonia from the digestate. The liberated ammonia is collected in a known volume of acid, and its concentration is subsequently titrated.

By employing the Kjeldahl Distillation Unit, fertilizer manufacturers can precisely measure the nitrogen content in their products, ensuring compliance with regulatory standards and optimizing formulations for optimal plant growth. This analytical tool is essential for quality control, allowing industries to produce fertilizers with accurate and consistent nutrient concentrations.

c] Flame Photometer:

The Flame Photometer is a vital tool in the fertilizer industry, utilized to analyze alkali and alkaline earth metal concentrations, such as potassium and sodium, in samples. During a fertilizer industry visit, this instrument ensures precise nutrient levels in formulations, optimizing product quality and adherence to regulatory standards. By introducing samples into a flame and measuring emitted light, the Flame Photometer enhances efficiency and accuracy in determining essential nutrient content. Its role in quality control contributes to the production of fertilizers with consistent compositions, promoting effective agricultural practices and overall product excellence.

d] Atomic Absorption Spectrophotometer:

An Atomic Absorption Spectrophotometer (AAS) holds significant importance in the fertilizer industry during visits, serving for precise elemental analysis. It is utilized to measure the concentration of various metals, including iron, zinc, and copper, in fertilizer samples. The AAS functions by assessing the absorption of specific wavelengths of light as atoms undergo transitions from ground to excited states. In the fertilizer industry, the AAS is instrumental in quality control, ensuring the accurate determination of metal content in formulations. This process enhances the overall quality of products, ensures compliance with regulatory standards, and optimizes nutrient compositions for efficient and effective fertilizer production in agricultural applications.

CONCLUSION

The Industrial visit provided the students to observe several unit operations/unit processes taking places in a chemical industry live. It was a great experience to observe the magnitude and the quantum of machinery/equipment's used in a manufacturing process. Thus the students found the visit to be a great learning experience and a source of practical knowledge. Hence overall, the visit has been successful and concluded without any hurdles and hindrances.

At last, we visited the nearest Hill station Mahabaleshwar; the students enjoyed the various points like Eco point, Monkey Point, Elephanta Point, Sunset Point etc. and famous markets in Mahabaleshwar.

**“BY LEARNING ENTREPRENEURSHIP OPPORTUNITIES IN
POULTRY, ANIMAL HUSBANDRY, GOATRY, SHEEP REARING
AND FISHERIES”, STUDENTS OF ZOOLOGY MAKE THE MOST OF
A STUDY TOUR ORGANIZED BY, VN & BNM, SHIRALA**

Shirala, 27th december 2023: On the verge of New Year 2024, the Department of Zoology, Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyalaya, Shirala made a resolution to inculcate entrepreneurial mindsets in students, by letting them explore different sustainable business opportunities in Zoology. Thus, the first step towards the accomplishment of this resolution was a study tour organized together in collaboration by Department of Zoology, Botany, and Microbiology, VN and BNM, Shirala to Shiv Poultry Farms, Shiv Horticultural Gardens and Shivni Water Reservoir, MIDC Shirala. In this tour, students explored a range of entrepreneurial activities in all the three fields.

The students and faculty members collectively departed from the college campus, towards their tour destination, sharp at 8:00 a.m. Once reaching their destination, the entire team was greeted by Mr. Aftab Pathan, a civil engineer by education, but an entrepreneur by profession. Mr. Pathan left his lucrative job in a multinational construction company and entered into poultry business in 2019 due to COVID pandemic. Since then, this founder and CEO of Shiv Poultry Farms and Horticultural Gardens have enacted a successful sustainable business merely in 5 years and is currently running the largest poultry farm in Shirala jurisdiction.

Mr. Pathan started with an introductory session in which he dictated and demonstrated the basics of poultry business. Then he put light on various aspects like primary poultry infrastructure building, different varieties of the chicken, methodology and management of the entire supply chain, local amenities to facilitate the business, government schemes, seasonal variations, global perspectives, plethora of future opportunities and advances in the entrepreneurship models, etc. He demonstrated actual brooding of the chicks, feeding and cleaning methodologies, vaccination schedules, supplements and overall role of the

workers. Students also got the hands-on training experience on effective administration of probiotics into the poultry feed that was related to the subject knowledge of Microbiology department. Further, Mr. Pathan also demonstrated their various allied activities like advanced goatry, sheep farming, animal husbandry and compost preparation unit, which they have started on a preliminary trial basis. Finally, the students visited the Shivni Water Reservoir to learn regarding grassroots level opportunities and threats in local freshwater fisheries and conservation of local species. On the reservoir students also observed local aquatic birds and other amphibians, which enriched their biodiversity conservation experience. Students also enjoyed natural photography and water sports after the study.

Then students were taken to Shiv Horticultural Gardens where they were demonstrated the subject knowledge regarding business model of mango and chikko plantations by Dr. Jivan Kote of Botany Department. The students also learnt the techniques related to application of Micro-bio fertilizers demonstrated by Dr. Mrs. Karuna Pawar of the Microbiology Department. Finally, students enjoyed their lunch in the natural greenery of mango gardens and the study tour concluded with a pledge by students to inculcate multidisciplinary entrepreneurship thought process in themselves and enter into collective startups, from the upcoming years, as a mode of self-employment, with whatever resources are available with them. They also decided to conserve the nature around them and take care of the natural resources. On the way back, a short visit to 'Infra Market AAC Blocks' and 'ISERA Biological Pvt. Ltd' also proved to be a fruitful experience for students.

The Department of Zoology, Botany, and Microbiology, VN and BNM, Shirala are thankful to Hon. Chairman, Vice-chairman, Secretary and Principal of our educational institute for giving us permission to conduct this educational tour and supporting us with every means for the betterment of students and the society as a whole.

Glimpses of the Tour

Students and Faculties Gathered at the College Campus for the Tour

Introduction to the Poultry Fundamentals by Mr. Aftab Pathan

Faculties providing information about methodical utilization of various Inputs in the Poultry Industry

Various Inputs required in the Poultry

Vaccines used in the Poultry Industry

Students Practically Observing and Understanding the Nooks and Corners of the Poultry Business

Winter Season Chick Care - Proper Temperature Regulation, Feeding, water supply and Preventive Crowding

Students learning about Local Cattle Breeds and Their Care

Students learning about Local Cattle Breeds and
Mango/Chikoo Garden Management

Goatry (Free Grazing) Demonstration

Learning about various local Sheep Breeds

Visit to Shivni water reservoir – local fisheries, aquatic flora/fauna, local birds sightseeing, photography and fun

Van Bhojan

On the way Short Visit to Infra Market ACC Blocks Pvt. Ltd.

On the way Short Visit to ISERA Biological Pvt. Ltd.

VISHWASRAO NAIK ARTS, COMMERCE & BABA NAIK SCIENCE MAHAVIDYALAYA SHIRALA

DEPARTMENT OF ENGLISH

DEPARTMENTAL STUDY TOUR

2023-24

Department of English, Vishwasrao Naik Arts, Commerce and Baba Naik Science Mahavidyalaya Shirala successfully completed A One-Day Study Tour on Wednesday 10 January 2024. Wherein 19 Students from Second Year and Third Year B. A. and 02 Faculty Members visited various places in Kolhapur city: Chhtrapati Shahu Palace, Department of English Shivaji University Kolhapur, Language Laboratory, V.S. Khandekar Memorial and Museum, Mahalaxmi Temple and Keshavrao Bhosale Theatre with Drama Show. The tour was successfully conducted under the guidance of Principal Dr. Rajendra Bansode, Head, Department of English Dr. Dilawar Jamadar and Tour Coordinator Mr. Pramod Patil Asst. Professor in English.

PARTICIPANTS OF THE ONE DAY STUDY TOUR

Sr.	Name	Class	Place
1	Anuradha Jagannath <u>Chopade</u>	B.A.III	Kande
2	Sanika Balu <u>Dabhade</u>	B.A.III	<u>Tadavle</u>
3	Jyoti Yuvraj Patil	B.A.III	<u>Wakurde Kh</u>
4	Nilam <u>Hanmant</u> Patil	B.A.III	<u>Karmale</u>
5	Pragati <u>Sonavne</u>	B.A.III	<u>Shirala</u>
6	Vishal Vitthal <u>Gawade</u>	B.A.III	<u>Antri Bk</u>
7	Reshma Khot	B.A.III	<u>Aswalewadi</u>
8	Sanskriti Pravin Mohite	B.A.III	<u>Sagaon</u>

10	Pranali Rajendra <u>Basare</u>	B.A.II	<u>Wakurde Bk</u>
11	Vaishnavi Jagannath Mane	B.A.II	<u>Wakurde Bk</u>
12	Sanika Ananda Jadhav	B.A.II	<u>Wakurde Bk</u>
13	Sanika Dadaso Mane	B.A.II	<u>Wakurde Bk</u>
14	Sanjana <u>Namdeo</u> Patil	B.A.II	<u>Wakurde Kh</u>
15	Sanika Dinesh Kadam	B.A.II	<u>Upavle</u>
16	Omkar Dilip Kadam	B.A.II	<u>Shirala</u>
17	Kunal <u>Krushnat</u> Yadav	B.A.II	<u>Karmale</u>
18	Sahil Patil	B.A.II	<u>Wakurde Kh</u>
19	Anjum Mohammad Munde	B.A.II	
	FACULTY MEMBERS		
20	Dr. Dilawar Jamadar	Head Dept.of English	
21	Mr. Pramod Patil	Asst. Professor	

THE NEW PALACE KOLHAPUR

The Kolhapur city is famous for its cultural, historical and social heritage. All the participant students visited the famous Chhatrapati Shahu Palace/ New Palace of Kolhapur. Students found the museum amazing as they learned various facts about history, royal family and their lifestyle.

An Interaction on the topic Opportunities in English was conducted at the Department of English in which Professor (Dr.) Prabhanjan Mane guided the students regarding various career opportunities in English Language and Literature, also Associate Professor C. A. Langare talked about the enriched tradition of Department of English SUK.

At the Department of English Students visited the Language Laboratory. The Lab instructor Dr. Surendra Upare briefed them about the working of Language Lab and how students can get benefit in improving their Listening, Speaking, Reading & Writing skills.

V.S. KHANDEKAR MEMORIAL MUSEUM

Visiting Memorial and Museum of V. S. Khandekar, a renowned author in Marathi and Dnyanpith Awardee was a great literature treat. Watching original manuscripts, awards, and other things helped students to understand the writing process and psychology of a writer.

KESHAVRAO BHOSALE THEATRE KOLHAPUR

One of the major objectives of the tour was to visit Keashavrao Bhosale Theatre of Kolhapur. As students have drama paper in their literature syllabus, it is important for students to understand stage, setting, technical aspects of drama. Students not only visited the theatre but also enjoyed a performance of play: Ek Shunya Bajirao written by C. T. Khanolkar

MAHALAXMI TEMPLE & RANKALA LAKE

Students visited the Mahalaxmi Temple of Kolhapur. The construction of the temple and religious vibes were just beautiful. All the students visited the famous Rankala Lake of Kolhapur and enjoyed the boat ride. The place is major place where people spend their pass time specially on weekends.

Department of Chemistry

Notice

All the students of B. Sc- III here noticed that Department of Chemistry Organizes Physical Chemistry problem-solving activity in academic year 2023-2024.

Attendance is compulsory.

Date- 22-24/02/2024

HEAD
